HP PageWide Managed Color MFP E77650dn-E77660dn Printer series

HP PageWide delivers a breakthrough low color cost, maximum uptime, and the strongest security.¹

HP Managed MFPs and printers are optimized for managed environments. Offering increased monthly page volumes and fewer interventions, this portfolio of products can help reduce printing and copying costs. See your HP Authorized Reseller for details.

Dynamic security enabled printer. Only intended to be used with cartridges using an HP original chip. Cartridges using a non-HP chip may not work, and those that work today may not work in the future. http://www.hp.com/go/learnaboutsupplies

HP PageWide Managed Color MFP E77650dn - Bundle Product 50 ppm

HP PageWide Managed Color MFP E77660dn - Bundle Product 60 ppm

Affordable color printing for every office

- Depend on lasting value. Get the results you expect for a game-changing low cost per color page.
- Print more pages and replace cartridges less often with optional high-yield cartridges.²
- Print even faster—and save even more per page—by setting this printer to General
- Help keep energy costs down with the most efficient printer in its class.⁴

Minimal interruptions. Maximum uptime.

- Minimize interruptions with an HP PageWide Managed MFP designed for the least maintenance in its class.⁵
- Print speeds up to 50% faster than competitors—as fast as 80 ppm in color and blackand-white.6
- Tailor this MFP to the needs of your business with a wide range of paper-handling
- Scan files directly to Microsoft® Office 365 and SharePoint, plus email, USB, and network folders.7

The world's most secure printing¹

- Each printer in your fleet checks its operating code and repairs itself from attacks.
- Your printer's outgoing network connections are inspected to stop suspicious requests and thwart malware.
- Memory activity is monitored to continually detect and stop attacks.
- Firmware is automatically checked during startup to determine if it's authentic code digitally signed by HP.

Give workgroups the speed they need

- Help workgroups capture every page easily and detect potential errors or missed pages
- Enter data more quickly and accurately using the pull-out keyboard.
- Help ensure every scanned document is properly oriented, cropped to size, and grayscale-optimized.
- Load up to 200 pages into the automatic document feeder for fast, unattended scanning.

¹Based on HP review of 2018 published security features of competitive in-class printers. Only HP offers a combination of security features that can monitor to detect and automatically stop an attack then self-validate

software integrity in a reboot. For a list of printers, visit http://www.hp.com/go/PrintersThatProtect. For more information: http://www.hp.com/go/printersecurityclaims
2High-yield cartridges are not included in printer purchase; purchase separately. Comparison is based on ISO 24711 cartridge yields for HP 982X series High-Yield Original PageWide Cartridges compared with HP 982A series Original PageWide Cartridges. Learn more at http://www.hp.com/go/learnaboutsupplies 3 Comparison based on printing in Professional Mode...

⁴ Energy claim based on TEC data reported on energystar.gov as of February 2018. Data normalized to determine energy efficiency of in-class color laser printers and MFPs with print speeds between 20-80 ppm as of February 2018. Subject to device settings. Actual results may vary.

Sewer service parts claim based on BLI analysis of leading in-class A3 MFPs as of August 2016; calculations use publicly available and/or published manufacturer rated yields for long-life consumables and assume

^{600,000} pages printed (using a 60% black/40% color ratio). Learn more at http://www.hp.com/go/pagewideclaims

6Comparison of HP PageWide A3 devices with the majority of in-class color ink/laser MFPs (\$3,000-\$10,299 and €2,820-€10,199), and color ink/laser single function printers (\$1,500-\$4,299 and €1,410-€4,099) as of April 2018 excluding other HP PageWide products; competitive set based on market share data as reported by IDC as of Q4 2017, MSRP data provided by gap intelligence and/or Buyers Lab. HP PageWide speeds based

on General Office mode and exclude first page. Learn more at http://www.hp.com/go/printerspeeds

Requires an Internet connection to the printer. Services may require registration. App availability varies by country, language, and agreements. For details, see http://

Product walkaround

HP PageWide Managed Color MFP E77660dn

- 1. 8.0 inch (20.3 cm) pivoting color touchscreen
- 2. Hardware Integration Pocket¹
- 3. Easy-access USB printing port
- 4. Retractable keyboard²
- 5. Front door access to cartridges
- 6. 100-sheet multipurpose tray 1 supports media up to 305×457 mm (12×18 inches)
- 7. Automatic two-sided printing
- 8. 550-sheet tray 2 supports media up to $297 \times 432 \text{ mm} (11.7 \times 17 \text{ inches})^3$
- 9. 200-sheet ADF with single-pass, two-sided scanning with HP EveryPage4 supports media up to 297 x 432 mm (11.7 x 17 inches)
- 10. Flatbed scanner handles sheets up to 297 x 432 mm (11.7 x 17 inches)
- 11. 350-sheet inner finisher with stapler⁵
- 12 500-sheet output hin
- 13. Ethernet port, 2 Hi-Speed USB 2.0 Host ports, Hi-Speed USB 2.0 Device port

¹ Solutions deployed through the Hardware Integration Pocket (HIP) may require additional purchase.
2 The retractable keyboard is available with HP PageWide Managed Color Flow MFP E77660z and Color Flow MFP E77660zs models only.
3 The HP PageWide Managed Color MFP E77660 series comes standard with a 100-sheet multipurpose tray that supports up to 12 x 18 inches (305 x 457 mm) and one 550 sheet tray that supports up to 11.7 x 17 inches (297 x 432 mm). All models can add up to one of the following optional ACCESSORIES: 550-sheet paper tray, 550 sheet paper tray and cabinet, 3x550-sheet paper tray and stand, or 4,000 sheet HCI paper tray and stand. The 550-sheet trays supports up to 11.7 x 17 inches (297 x 432 mm). The optional HCI tray supports up to 1etter (A4).
4 HP EveryPage, ultrasonic detection, and embedded OCR are available with HP PageWide Managed Color Flow MFP E77660z and Color Flow MFP E77660z models only.
5 Measured using ISO/IEC 24734, excludes first set of test documents. For more information see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and decuments complexity.

document complexity.

6The 300-sheet inner finisher with stapler is available with the HP PageWide Managed Color Flow MFP E77660zs model only.

⁷ Purchase of optional paper trays required to reach maximum input capacity

HP Services

Downtime can have serious consequences, so HP provides support beyond the standard warranty. You benefit from reduced risk, maximized uptime, predictable service delivery and no unbudgeted repair costs. HP Care Pack Services provide a comprehensive suite of protection services designed to keep HP hardware and software up and running so employees can stay productive.

For carepack availability visit: hp.com/go/cpc:

Top features

Color printing is within every business' budget with HP PageWide Technology. Print professional-quality color for a breakthrough low cost—results you expect from HP for an exceptional value you can rely on.

Annoying interruptions and complex maintenance can slow down printing, and ultimately, the pace of business. Avoid pauses in productivity with an HP PageWide device designed for maximum uptime—so you can count on reliable results day in and day out.

HP printers have the industry's strongest security¹ because they're always on guard, continually detecting and stopping threats while adapting to new ones. And only HP printers automatically self-heal from attacks, so IT doesn't need to intervene.

Accelerate workflow, improve accuracy, and easily connect people throughout your organization. Complete high-volume scan jobs super-fast—up to 240 ipm⁸—and avoid extra steps with a Flow MFP designed for maximum productivity.

typically based on measurement of 115V device.

² Based on the BA TEC method with the following possible exceptions: 1 minute or less sleep delay setting, Wi-Fi disabled.

³ Average color composite (C/M/Y) and black declared yields based on ISO/IEC 24711 and continuous printing. Actual yields vary considerably based on images printed and other factors. For details see http://www.hp.com/no/learnabouts.upplies

http://www.hp.com/go/learnaboutsupplies.

⁴ Based on standard ITU-T test image #1 at standard resolution and MMR encoding, the HP fax device can transmit at 3 sec/page for V.34 and 6 sec/page for V.17

⁵ ISO speeds measured using ISO/IEC 24734. Excludes first page or first set of ISO test pages. For details see http://www.hp.com/go/printerclaims ⁶ Exact speed varies depending on the system configuration, software application, driver and document complexity.
